

February Roundtable

March theme – Cubstruction

Point of Scout Law – Thrifty

Project: Genius Kits

Genius Kits are fun for the Cub Scouts and their families to do together. You will need a paper sack for each youth (or team). Place several different items in the sacks, but make sure the items in all the sacks are identical. The more items the youth receive, the more creative they can be.

Contents might include: aluminum foil, garbage bag ties, plastic spoons, beans, juice can lids, popsicle sticks, colored paper, macaroni, rubber bands, cotton balls, nails, small empty cans, different-sized wood pieces, nuts and bolts, small cereal boxes, dried peas, paper clips, rope, string, yarn, egg cartons, paper cups and plates, Styrofoam peanuts, empty plastic bottles, paper-towel roles, washers, feathers, plastic 6-pack holders, fishing line.

Give each Cub Scout and family half an hour to make something only using the items in the sack and, if desired, the sack itself. They can bring tools from home that might be useful – scissors, glue gun, hammer, screwdriver, etc.

Breakouts

All Den Leaders

Discussion Topic: Tour and Activity Plans for Outings

Tiger Leaders: Floats and Boats required adventure

Wolf Leaders: Council Fire required adventure

Bear Leaders: Make it Move elective adventure

Webelos Leaders: Art Explosion elective adventure

Arrow of Light Leaders: Building a Better World required adventure

Cubmasters: Pack Communications

Committee Members: my.scouting.org

March Roundtable

April theme – Strike Up the Band

Point of Scout Law – Cheerful

Interest Topic

Cub Scout Camping Program (guest speaker – Paul Turgeon, District Camping Chair)

Breakouts

All Den Leaders

Discussion Topic: Day Camp

Tiger Leaders: Tiger Tag elective adventure

Wolf Leaders: Code of the Wolf elective adventure
