

# 1<sup>st</sup> Annual Cub Scout Food Drive

---

A Scout is Helpful, Friendly, Courteous, and Kind (among other things). To that end, we will have a District-wide Cub Scout Food Drive. I encourage each Pack and/or Den to collect food within the Pack and/or Den for the month of November during your meetings and donate it to a local food shelf. Please keep track of the number of items you collect and let Jessi (Cub Scout Roundtable Commissioner) know. Prizes will be awarded at the December Roundtable for the top three collections. This is a completely volunteer opportunity to engage our Cub Scouts in the community. Do not forget to take pictures to submit to the local media and post it to the Rolling Hills Facebook page.
