

Marshmallow Snowmen (gathering activity)

If you have the right supplies, you can put this craft together in minutes! Here's what you'll need:

- Glue—white frosting
- Optional base—cookie
- Body—large marshmallows
- Arms—pretzel sticks
- Hat—chocolate mint patty and chocolate kiss
- Face and buttons—candy-coated chocolates and/or mini chocolate chips
- Scarf—pull-and-peel licorice or a strip of fruit leather
- Toothpicks
- Plastic knives

Directions:

- Place materials on individual plates and have each boy build his own marshmallow snowman.
- Spread frosting over the bottom of the cookie, and press the cookie onto a plate.
- Spread frosting on the bottom of marshmallows and stack them on top of the cookie. As an option, poke a toothpick through the marshmallows for added stability.
- Tie on a scarf.
- Add the hat (a chocolate mint patty) and then the chocolate kiss on top of that, then eyes, the nose, and buttons.
- Slide a pretzel stick through the body for arms.
- Put snowmen in the refrigerator or freezer while the frosting hardens.
