### Ingredients

- Ritz Crackers (2 for each spider)
- Pretzel sticks
- Raisins
- Peanut Butter (can opt for Hummus instead)

### Directions

1. First, break the pretzels in half in order to create the legs.
2. Then, spread the peanut butter onto both crackers.
3. Lay the pretzel legs onto one of the crackers with 4 on each side, to create the legs.
4. Next, place the other cracker on top of the one with the pretzel legs.
5. Then, using some peanut butter, stick on 2 raisins to create the eyes

If your child has a peanut allergy, you can use another product such as hummus or even chocolate spread.
